| " * " – filled in automatically if the information is available in administrative sources (Population Register, "Sodra")                                                           |

Work via **digital platforms** refers to work where an online platform acts as an intermediary between the worker and clients. Remote work, selling unnecessary items online, or using software for phone or video calls is **not** considered platform work. Additionally, this type of work must be performed with the intention of earning income or making a profit.

**S. Main activity on digital platforms**
